

Forest School Clothing

Please ensure your child comes to school wearing Hartlebury PE Kit on the days they have Forest School.

These can be built into the additional layers when attending Forest School.

Autumn

- Base layers- Not needed unless chilly
- Mid layers- Long-sleeve top
- Top layers- Micro fleece/hoody, trousers/joggers
- Outer layers- Waterproof coat, waterproof trousers
- Footwear- walking boots/wellies and socks
- Accessories- Gloves, hat, scarf/buff, plastic bag for dirties
- Spares- Full change of clothes

Winter

- Base layers- thermal base layer/vest, long johns/tights/leggings
- Mid layers- long-sleeve top, micro fleece
- Top layers- Hoody/jumper, trousers/joggers

Summer

- Base layers- Not needed unless chilly
- Mid layers- Long-sleeve top
- Top layers- Micro fleece/hoody, trousers/joggers
- Outer layers- Waterproof coat, waterproof trousers
- Footwear- walking boots/wellies and socks
- Accessories- Sun hat, sun cream, plastic bag for dirties
- Spares- Full change of clothes

Key points:

- It may sound like a lot but it is far easier to cool down a child than warm them up once they are chilled- Think- “Layers, layers, layers!”
- A full spare change of clothes (including socks) can stay in lockers if needed.
- A couple of plastic bags in their kit are useful for bringing home dirty clothing and footwear.
- Denim is not suitable for wearing in Forest School due to the nature of the activities and the water retention of the material.
